X15

THE POWER IS SERVED

X15

The power is served

The last born in Elsea. This vacuum cleaner combines an innovative and functional design with high performances and low consumption.

Handy and easy to use

Thanks to its powerful suction and to its really low noise level, the X15 guarantees very high performances. Moreover, the low electrical power absorption attests the X15 in A energy efficiency class. Handy and easy to use, this machine is provided with an ergonomic handle to facilitate the movement. The X15 is also equipped with an useful pedal start-stop system, with a motor speed regulator and with a light indicator to signal when the dust-bag is full. The model X15R is also equipped with a potentiometer.

The X15B, our last version, extremely silent and cableless, is powered by a 36Vdc battery.

APPLICATIONS

housekeeping, hotels,
restaurants, offices, ...

TECHNICAL DATA

| | X15R | X15B |
|---------------------------------|-----------|------------------|
