This diagram shows the exploded view of a water pump assembly. The components are labeled with numbers in green circles: 19 (long shaft), 66 (short shaft), 67 (coupling), 68 (impeller), 69 (motor housing), 70 (top bearing), 71 (bottom bearing), and 52 (cap). Red dashed lines indicate the assembly path, showing how the shafts and bearings are fitted into the motor housing and impeller. A separate view at the bottom shows the cap (53) being placed on top of the assembled unit.
